

VISANOW's International Immigration Services

"VISANOW helps us maximize our time in the strategic and proactive mode and we're now able to plan a global mobility strategy because we have clear visibility into budget and total transparency of the process. The fact that we have a strategic partner versus a responsive provider is a paradigm shift. VISANOW has enabled us to take our mobility thinking to the next level."

Todd Kozan
Senior Manager
Sapient®

Streamline Your Global Immigration Process

Global workforce mobility is a critical success factor for your organization. Whether you are deploying non-local staff to the U.S., Europe, the fast growing BRIC countries (Brazil, Russia, India, China), or any other country or continent, managing the associated immigration process is a complex task.

VISANOW is a leader in global corporate immigration services with local presence in the U.S., as well as, a worldwide network. What differentiates VISANOW from traditional providers is the combination of our patented online process, comprehensive legal immigration expertise and proven commitment to customer service. For more than a decade, VISANOW has set the standard in efficient global immigration solutions for thousands of clients across various industries and company sizes.

Faster Responses

- Answers from legal team in 30 minutes or less
- 24 hour filing capability

Greater Access to Information

- Employee direct access to legal team
- 24/7 real-time visibility into case information for employer and employee
- Proactive system notifications of changes, required action, upcoming expiration dates

Time Savings

- HR time savings from eliminating intermediary role between employee and provider
- Employee time savings with online system independent from location, time zones and provider availability

Lower and Predictable Costs

- Fixed, all-inclusive fees regardless of case complexity, 25-50% below industry average

The VISANOW Platform

With VISANOW's secure platform, both employers and employees have unlimited access to their case information. Online review and approval of forms allow you to keep the process moving forward and reduces the transfer of paperwork involved in the traditional process. Your candidates can participate from anywhere in the world - provide information and documentation, communicate with our legal team, etc. - while you maintain full oversight of the process.

Example: Work Permit for China

Obtaining international visas requires deep expertise and local resources.

1. Client initiates the application for Work Permit for China with VISANOW.
2. Employment License obtained.
3. Invitation Letter from the Chinese Government obtained.
4. Single Entry Z Visa obtained at the Chinese Consulate in the employee's current country of residence.
5. Health Check upon arrival in China.
6. Registration of residence at the local police station.
7. Employment permit obtained.
8. Residence permit obtained.

VISANOW's patented online process, expert local resources and customer service teams work together to complete this complex process in less than one month from start to finish.
