

We Make your Foreign Nationals our #1 Priority

We know that immigration is a very personal matter and has far-reaching implications on your employees' lives, which is why foreign national satisfaction is very important to VISANOW. 91.5% of foreign nationals have consistently rated VISANOW's customer service as *excellent* on satisfaction surveys since 2006. Your employees will never get service like this from traditional law firms.

Why do foreign nationals love VISANOW's global immigration services? Simply stated, we put them in the driver's seat of their immigration process by giving them:

- Direct access to attorneys with unlimited legal advice
- Answers to questions guaranteed in 30 minutes
- 24/7 access to their real-time case status, wherever they are located

The result is not only a smoother process, but also more informed employees, which increases satisfaction with the immigration process and leads to improved employee morale and productivity.
